WANTED POSTER

PROJECT

- Where Guy Montag lives and works, it's his job as a fireman to destroy homes of people who are harboring books. In fact, it is illegal to read books.
- Imagine you are a fireman whose job it is to remove books from society. Use ideas and citations from the text to design a wanted poster for people who are secretly stashing and reading books. You'll need a picture and a written description.
- You can use the included template or make one of your own.
